NWNODN Up-date – Key points

Please note every Wednesday there is a meeting at 12 noon of the NWNODN Senior Team, Connect NW and Specialised Commissioning.

If you have anything that you would like to be considered at this meeting please email:

NWNODN@alderhey.nhs.uk and we will get back to you.

Weekly Information Bulletin:

We would welcome your feedback and any information you would like to share to add into these bulletins going forwards to celebrate the great work you are all involved in.

World Prematurity day – Tuesday 17th November 2020

We know that you will be taking the opportunity to raise awareness of neonatal care during this time and it would be good to share with others what you are doing – so please let us know and share your photos and we will include them in this Bulletin.

National Neonatal Audit Programme 2020 - virtual event **12 November at 2pm**

We invite stakeholders in the National Neonatal Audit Programme (NNAP) who are interested in improving neonatal care for patients and their families, to join us at our two-hour virtual event to discuss the findings of the NNAP 2020 report on 2019 data, the new BAPM QI toolkits, and the future of the NNAP

You can register to join us online at: <https://www.rcpch.ac.uk/news-events/events/nnap-2020-report-on-2019-data-virtual-event>

Advancing Practice - Taking Centre Stage - Online workshops

The workshops will be live from Monday 9 November and will stay online until the end of the conference on Thursday 12 November. We encourage you to read through the questions and comments, respond throughout the four days. Feel free to engage with more than one workshop theme, we're taking this approach to allow our delegates and community to get involved in all themes.
